LET THE GOOD TIMES ROLL!

Energized Games is a totally unique and interactive **EXPERIENCE**, unlike anything you have ever seen before. We arrive at your location with our state-of-the-art Mobile Video Game Theater. The 38 foot, self-powered, climate controlled theater has the latest and greatest gaming systems such as XBOX 360, PlayStation 3 and Nintendo Wii all fitted with age appropriate multi-player games. Group participation is required! You have got to experience **Energized Games** to believe it!

The **Energized Games Theater** is the Largest in the State and can accommodate around 100 kids per hour. Even more if Laser Tag, Bumper Balls or Sumo is added!

All events are conducted by certified Palm Beach County background checked Game Guru's and we are a Broward County approved vendor.

The Inside Theater

The handicapped accessible gaming lounge can seat 16 people in our 4D Chairs complete with vibration effects, flashing lights and rotating laser beams all playing the latest multilayer games in groups or all together! The lounge is also fitted with Smell-a-Vision. Now you can smell the Games you are playing. How awesome is that!

The Outside Theater

Room to stretch out under the awning. For large events the outside theater is typically used for dancing games. Not only can 8 more people have a controller but also large groups can now all dance together at one time. Warning: Teacher participation is required!

Laser Tag

Don the headband and prepare for all out war! Inside or out with 20 laser tag units and inflatable bunkers there is always plenty of room for large-scale tactics. With games like capture the flag, team against team, last one standing and the all time favorite, hunters against the bunny everyone will find something they like. With the 500-foot laser range there truly is nowhere to hide.

Sumo Wrestling

Two contestants climb into over-sized vinyl suits and are instantly transformed into gigantic Sumo Wrestlers! Get ready for the laughter and fun, because with a blow of the whistle, they are set to battle for the ultimate Sumo supremacy in the ring! May the best Sumo win!

Bumper Balls

Choose the 1.1 meter or 1.5 meter size and prepare yourself for a world turning experience. Whether bumping or rolling the balls are always a big hit at any gathering. How many consecutive rotations can you do??? Let's find out!

How Can You Utilize Energized Games

Students like to be rewarded for their efforts. How about surprising them with a Energized Games visit! We can schedule events to celebrate the students of the month, accelerated reader, student/teacher appreciation day, FCAT/holiday/end of year celebrations, lock-ins, sporting events, field day, fundraisers, or simply because you want to surprise your students or staff.

We have special rates for schools!

Give Frank a call and see what Energized Games can do for you this year!
